## Can't Prove It

This **Yes It's True** colt really impressed at the two year old in training sale and was actually our top prospect going in and thus thrilled to have purchased him at a great value for our partners. Not only did he breeze sharply in 10.2 (1f) and 21.4 (2f) but he galloped out completely on his own in a sharp 34 and change with a full stride and good action.

Yes It's True offsprings have done very well at the track and the sire has been near the top in many categories over the last eight years; adding great value to his already successful career as a million dollar earner. He has produced 31 stakes winners and one champion. The dam is a stakes winner herself and has earned over \$300K during her racing career. All her foals have been successful.

Our team felt that this was one of the best buys at the sale and had to have it. On looks alone, he has the tools and the pedigree screams potential.
